## **A guide to Wedding Flowers**

# Introduction

Wedding flowers at All Saints are arranged by members of the Flower Guild.

Here are a few examples of the displays we are able to provide:

## Fees for Wedding Flowers

The standard charge for wedding flowers is £140.00, which covers the provision of a large pedestal, plus one smaller pedestal.

The Guild is able to offer this service at a reasonable cost as arrangers give their time free and make no charge for foliage.

**N.B.** For special requests on colour or for additional flowers, couples should liaise with Angela Wade, approximately eight weeks before the wedding.

### Examples are listed below:

Additional Pedestals	£70.00 each
Other additional arrangements	£25.00 each
12 freshly made aisle decorations	Price on application
Large Pillar Swags	£80.00 pair
2 Topiary Trees	Price on application

## **Additional Information**

### **Church Festivals**

Flowers for weddings which are conducted at Church Festivals will be provided in the colour governed by the festival.

ie. Pentecost—red or Easter—white

### **Advent and Lent**

During Advent (four weeks prior to Christmas) and Lent (six weeks prior to Easter) there are no flowers in church.

At these times couples could use outside florists. Flowers may be brought into church purely for the wedding and removed immediately after the ceremony.

For couples not wishing to pay the fee for wedding flowers, the Flower Guild will provide the normal weekly arrangements, but without consultation. Please discuss with the Parish Office when making your booking.
